

Electric distribution box installation site near the Bahamas

Article Overview

You can find electrical distribution boxes in the Bahamas at Eagle Electric, CBS Bahamas, Kelly's House & Home, and SHSS Electrical in Nassau.

Key Suppliers

1. Eagle Electric & Lighting Centre Located on Tonique Williams-Darling Highway, Nassau, Eagle Electric offers a wide range of electrical products including panels, breakers, meter cans, conduit, and various types of electrical boxes. They provide delivery services, including mail boat transport, and have an online catalog for browsing products before visiting the store (Phone: 1-242-341-4000) . 2. CBS Bahamas CBS Bahamas has multiple locations and offers a comprehensive selection of electrical boxes, conduit, fittings, and power distribution products such as main breaker panels, subpanels, and safety switches. They provide in-store pickup, next-day shipping, and mail boat delivery options. Their SouthWest Plaza location in Nassau stocks a variety of galvanized steel, PVC, and weatherproof boxes . 3. Kelly's House & Home Located on Robinson Road, Nassau, Kelly's is the largest department store in the Bahamas and carries electrical boxes, covers, and related accessories. They offer online shopping with delivery options and extended store hours, making it convenient for both residential and commercial purchases . 4. SHSS Electrical Situated on Chesapeake Road, Nassau, SHSS Electrical supplies electrical materials for residential and commercial projects, including panels, meter cans, breakers, fuses, and electrical boxes. They also provide quotations, packaging, local deliveries, and boat drop-offs for convenience .

Tips for Purchasing

- o Check availability online: Both Eagle Electric and Kelly's House & Home have online catalogs to confirm stock before visiting.
- o Delivery options: Many suppliers offer mail boat or local delivery, which is useful if you are on a different island.
- o Compare types and sizes: Electrical boxes come in PVC, galvanized steel, and weatherproof options; ensure you select the correct type for your installation. These suppliers provide a reliable starting point for sourcing electrical distribution boxes and related components throughout the Bahamas.
