

Luxembourg Franchise Optical Cable Junction Box 12 Cores

Preview

This 12 port fiber access terminal box is designed to connect feeder cables to subscriber drop cables for FTTH last-mile fiber connectivity. It integrates fiber splicing, optical signal splitting, termination and cable management into a compact enclosure for indoor and outdoor. The LAPP Group Splice Box Compact features a maximum capacity of 8 splicing cartridges or 4 splicing cartridges plus one distribution plate. This top of the line splice box is lockable. The 12 Core Fiber Optic Distribution Box is meticulously crafted using high-quality ABS+ material, guaranteeing exceptional protection and achieving an impressive IP 65 protection level. It is equipped with 12 SC adapters and can work in outdoor environments. How can I pay for my order? We accept T/T.
