Fischer Connectors is a Swiss multinational company that designs, manufactures and distributes electrical connectors and optical fiber connectors, cable assemblies and electronic and connectivity systems. KARL SCHUPP AG was founded in 1933 in Zurich and is now based in Zollikerberg/ZH. From proprietary ferrule technology to custom assemblies, we deliver solutions that meet the highest demands. Customer-specific. Identify and compare relevant B2B manufacturers, suppliers and retailers The company, Diamond SA, specializes in manufacturing high-performance fiber optic interconnects, including the only single-channel fiber optic interconnect qualified by the European Space Agency. Their products are recognized.

Our manufacturing line is certified by highest standards and every year inspected and verified by Swiss standards. Our output volume is 23.000 fiberoptic

Our Products At DIAMOND, we design, develop, and manufacture high-performance fiber optic components and assemblies entirely in-house. From precision

This cable (with the blue plug) is only suitable for 1 Gbit/s fibre-optic technology. Check whether a corresponding module (with blue clip) is used on your Internet-Box at the "Fibre" port.

Identify and compare relevant B2B manufacturers, suppliers and retailers. The company, Diamond SA, specializes in manufacturing high-performance fiber

The LC connector is a high-performance fiber optic connector for singlemode and multimode applications, characterized by low insertion loss. It is one of the most common types of fiber optic

Discover the best fiber optic manufacturers globally, offering cutting-edge multimode and single mode fiber solutions. See who tops the list for quality

Nature of business: Diamond SA is a Swiss company with a long tradition of specialists in the design, manufacturing and assembly of connectors for precision optical fibers, both standard and customized.

DIAMOND SA is headquartered in Losone TI, Switzerland. Our operation is focused on the manufacture and assembly of high performance fiber optic interconnect solutions.

Swiss Standard Fiber Optic Connector Wholesale Manufacturer

With a strong heritage in precision fiber optic technology, DIAMOND SA is a trusted global leader in the design, manufacturing, and assembly of high-performance

Swisscom provides the best network and the largest high-speed fiber-optic network in Switzerland. Our network sets the standard - and ranks among the best

Swisscom, Switzerland's leading telecom company, is at the forefront of fiber-optic technology, continuously investing in network expansion and implementing advanced solutions like 50G PON.

This post collects and lists information of 51 leading fiber optic product manufacturers in the world, including their basic company introduction,

Wholesale fiber optic products: MPO/MTP cables, PLC splitters, CWDM/DWDM MUX, patch cords & FTTA assemblies. Factory-direct pricing for system integrators.

These custom Swiss machined fiber optic connectors provide low insertion loss, with tight tolerances for accuracy in your application. Our components can either be fabricated as simplex or duplex connectors.

LEMO is based in Aublen, Switzerland. LEMO connectors are used in medical, industrial, audio/visual, telecommunications, military, scientific research and measurement applications. The company,
