

Article Overview

AEDHS, FOCONEC, Fiber Technologies Uganda Ltd, and BWN Fiber are key suppliers of fiber optic attenuators in Uganda.

AEDHS (Advanced Fiber Solutions)

AEDHS supplies a wide range of fiber optic products, including the AF-ATT-110 ST attenuator, serving cities like Kampala, Gulu, Lira, Mbarara, Mbale, Jinja, Mukono, and Masaka. They offer competitive reseller pricing, after-sales services, spare parts management, and safe handling of dangerous cargo. AEDHS provides door-to-door delivery and personalized solutions for resellers, ensuring reliable access to fiber optic attenuators and related equipment in Uganda. Contact via enquiry@aedhs.com or +971 55 630 52 17 for bulk orders or inquiries .

FOCONEC / TradeKey

FOCONEC offers SC, LC, FC, ST, and MU plug-type attenuators with attenuation ranges from 1 dB to 30 dB. Features include low back reflection, high precision, and wide attenuation range, suitable for telecommunication networks, CATV, FTTH, and optical testing systems. They provide both fixed and male-to-female attenuators with operating wavelengths of 1310/1550 nm for single-mode and 850/1300 nm for multimode fibers. Orders can be placed for high-precision attenuators with fast delivery and optional free samples .

Fiber Technologies Uganda Ltd

Fiber Technologies Uganda Ltd specializes in fiber optics consultancy, training, deployment, and construction management. While primarily focused on network design and FTTH solutions, they maintain partnerships with manufacturers and can provide turn-key fiber solutions, including attenuators, for telecom operators, utility companies, and contractors. They also offer CFOS/T certified training for technicians, ensuring proper installation and testing of fiber optic components .

BWN Fiber

BWN Fiber is a manufacturer and supplier of fiber optic attenuators, offering both fixed and variable types. Their attenuators support multiple connector types (LC, SC, ST, FC, MPO) and polish types (UPC, APC, PC). Attenuation levels range from 1 dB to 30 dB, suitable for CWDM, DWDM, CATV, and data center networks. BWN Fiber emphasizes high-quality products, competitive pricing, and fast delivery, making them a reliable source for fiber optic attenuators in Uganda .

Summary

For businesses or resellers in Uganda, these suppliers provide a comprehensive selection of fiber optic attenuators with options for fixed or variable attenuation, multiple connector types, and professional support. AEDHS and FOCONEC are ideal for direct procurement and bulk orders, Fiber Technologies Uganda Ltd offers consultancy and deployment services, and BWN Fiber provides high-quality manufacturing and global supply. Contacting these suppliers directly will ensure access to the right attenuators for your network needs.
