

Where can I find wire mesh bridges in Myanmar

Article Overview

You can source wire mesh for bridge construction in Myanmar from local manufacturers and suppliers such as Jeetmull Jaichandlall, Metal Fort, Dynasty Group, and Thurein Wire Production.

Local Suppliers

- o Jeetmull Jaichandlall (P) Ltd. - Offers a wide range of wire mesh products in various sizes, shapes, and finishes, suitable for industrial and construction applications, including structural reinforcement .
- o Metal Fort - Provides high-quality wire mesh sheets, bars, and fittings with excellent durability and corrosion resistance, ideal for construction projects .
- o Dynasty Group - Operates in Yangon and Mandalay, supplying wire mesh products that can be customized for engineering and infrastructure needs .
- o Thurein Wire Production - Established in 1987, producing wire mesh rolls, sheets, and chain link products according to ISO 9001:2008 standards, suitable for structural and civil engineering applications .

Online Options

- o Alibaba Myanmar - Lists multiple wire mesh suppliers offering galvanized or stainless steel mesh, which is corrosion-resistant and suitable for outdoor and structural use, including bridge reinforcement .

Considerations for Wire Mesh Bridges

When sourcing wire mesh for bridges, ensure the following:

- o Material strength - Galvanized steel or stainless steel is preferred for durability and load-bearing capacity.
- o Mesh size and thickness - Choose specifications that meet engineering requirements for bridge decking or reinforcement.
- o Corrosion resistance - Essential for outdoor and humid environments to prevent structural degradation.
- o Supplier reliability - Work with established manufacturers who can provide quality assurance and customization options. By contacting these suppliers directly, you can discuss your specific bridge project requirements, including mesh dimensions, load capacity, and delivery options, ensuring the wire mesh meets structural standards for bridge construction in Myanmar.

Thurein Wire Production was established in 1987 and started its product line of wire mesh roll, wire mesh sheet, barbed wire, razor
